10/12/00      A00-07-034      Red & White Ferries, Inc., to temporarily suspend scheduled weekday vessel common carrier service between Richmond and San Francisco.

**Summary:** On October 9, 2000, Thomas C. Escher, President of Red & White Ferry, Inc. ("Red & White") had a telephone conversation with Kim Malcolm, advisor to Cmmr. Lynch. On the same date, October 9, 2000, Escher "faxed" to Malcolm documents (filed under seal) containing confidential information. The documents include a declaration by Escher describing the structure and ownership of Red & White and its affiliates, the nature of the companies' businesses and revenue sources, the specific services provided by each of them, and how Red & White has been able to continue to operate without sufficient revenues to pay for fuel and crew. During the telephone conversation, Escher described the reason for Red & White's inability to continue to provide commuter ferry service between Richmond and San Francisco.
